

INVESTIGATIONS

Policy CPO-02: Investigations

Purpose: To provide consistency and timeliness respecting the investigation of suspected contraventions of the *Private Managed Forest Land Act* and its regulations to all employees, contractors and agents of the council who perform investigations.

Policy: It is the policy of council that, in accordance with the procedures:

1. the executive director must determine whether to initiate an investigation; and
2. investigations must be completed in a timely manner and in a period not exceeding 12 months from the date of initiation.

Date: Jan 19, 2010
