MANAGEMENT COMMITMENT AMENDMENT

PART 4 Proposed Amendment

Specify purpose and nature of proposed amendment:

PART 5 Forest Cover Information (for areas added to existing Management Commitment)

Attach a map indicating forest cover. Must identify any Land to Reforest areas (LTR) greater than 1 hectare. Enter total LTR area in table. See below for instructions.

Land to Reforest total area (hectares)	
--	--

- The forest cover map must include identification of the LTR areas. These are areas where timber has been harvested or destroyed, and not yet restocked as per the Private Managed Forest Land Council Regulation section 31.

PART 6 Soil Quality Assessment

Enter the total area of the land classified as good, medium and poor, as well as inoperable and nonproductive.

Site Class	Good	Medium	Poor	Inoperable*	Nonproductive**
Area (hectares)					

* Inoperable means land which is productive for commercial tree species but its physical nature prevents harvesting by current methods

** Nonproductive means land that is physically incapable of growing commercial tree species

Proposed effective date of the amendment: _____

Signature of Owner or Authorized Agent

Printed Name

Date

Note: If additional property is being added to the Management Commitment, provide map(s) of the new properties, indicating: general location, existing road locations. forest cover
